I'd like to tell you about my favourite food.

People can't live without food.

Nowadays everybody tries to eat the right food: fruit, vegetables, meat, fish and dairy products.

For breakfast I usually have

For lunch I usually have

For dinner I usually have

As for me I prefer eating in /eating out.

Last time I ate out at restaurant /café last weekend.

I ate there. It was delicious!

Now I'd like to tell you about my favourite dish.

It's We need to make it.

That's all about my favourite food.
