My favourite room

The room in our house (1) \_\_\_\_\_ is our kitchen. Perhaps the kitchen is the most important room in many houses, but it is particularly so in our house because it's not only (2) \_\_\_\_\_, but it's also the place (3) \_\_\_\_\_.

I have so many happy memories of times spent there: ordinary daily events such as making breakfast on dark, cold winter mornings for children (4) \_\_\_\_\_, before sending them off to school; or special occasions such as homecomings or cooking Christmas dinner. Whenever we

have a party, people gravitate with their drinks to the kitchen. It always ends up the fullest and noisiest room in the house.

So what does this special room look like? It's quite big, but not huge. It's big enough to have a good-sized rectangular table in the centre, (5) \_\_\_\_\_. There is a large window above the sink, looking out onto two apple trees in the garden. There's a big, old cooking stove at one end, and at the other end a wall with a huge notice board (6) \_\_\_\_\_ of our lives, past, present, and future: a school photo of the kids; a postcard from Auntie Nancy, (7) \_\_\_\_\_ to Australia; the menu from a take-away Chinese restaurant; an invitation to a wedding (8) \_\_\_\_\_; a letter from a friend (9) \_\_\_\_\_ for years. All our world is there for everyone to read!

The front door is seldom used in our house, only by strangers. All our friends use the back door (10) \_\_\_\_\_ they come straight into the kitchen and join in whatever is happening there. The kettle goes on immediately and then we all sit round the table, drinking tea and putting the world to rights! Without doubt some of the happiest times of my life have been spent in our kitchen.

Ты получил письмо от своего друга из Англии по имени Том Грин, который пишет...

... I live in Manchester. I like my city very much but sometimes the people here are not very friendly and they don't try to keep our city clean and beautiful. And do you enjoy living in a small town? How do you spend your spare time there?

Anyway, I'm thinking of travelling to Russia next summer. Could you tell me what weather to expect?
